Recipients of the Saskatchewan Sustainability Awards

The Regional Centre of Expertise in Saskatchewan congratulates 27 worthy projects that will be recognized at its Education for Sustainable Development Recognition Awards on Wednesday, May 4.

The awards recognize the achievements of individuals, organizations and groups as they pursue ways to help make our province a more sustainable place. The projects educate and encourage others to initiate development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

Helping to present to the recipients will be Her Honour the Honourable Vaughn Solomon Schofield, Lieutenant Governor of Saskatchewan. The 2016 awards will go to:
