# Education for Sustainable Development
# Recognition Award Application

*The Awards ceremony is Wednesday, May 8, 2019 May 8, 2019 at*
*[Hannin Creek Education and Applied Research Centre](#) on the shores of Candle Lake.*

**NOTE: Your project should be completed or have achieved significant milestones by the application deadline, March 31, 2019.**

**Who may apply:**

Applications may be submitted by an individual or organization, or nominator, who believe(s) the project is worthy of recognition.

**Application deadline:**

The application form must be received via e-mail no later than **midnight March 31, 2019**.

Send applications to **rcesk.event@gmail.com**. Successful delivery of the application will be confirmed with a return email within two days.

Submissions will be considered during the first week of April and all applicants will be contacted shortly thereafter.

**Help completing this form:**

Please refer to the Application Guide. *Remember to focus on the **educational** elements of your project.*

Applicants are encouraged to fill in this form electronically. If submitting handwritten applications, please do not limit yourself to the space provided. Additional sheets are recommended.

2-3 low resolution photos or a link to a short on-line video (e.g., YouTube) are welcome with your submission. Please limit the size of the file you are sending. Note that submitted photos and content may be posted on-line unless requested otherwise.

If you have any questions not covered in these instructions, contact the RCE Event Coordinator at **rcesk.event@gmail.com** or by phone or text at 306-280-4871.

# Section 1:  Basic Information

By completing this form, your project will also be considered for the Lyle Benko Future Generations Award, which recognizes achievement within the K-12 educational system.

| | | | |
|---|---|---|---|
| Name of project: | | | |
| Lead organization or individual as applicable: | | | |
| Project team members: | | | |
| | | | |
| Main contact person: | Name: | | |
| Phone: | | Email: | |
| Address: | | | |
| City/Town: | | Postal code: | |
| Online addresses (web, Facebook, twitter, etc.) | | | |
| May we post a link from our website to your project: yes/no | | | |
| Link address if different than above: | | | |
| May we publicly publish photos of your participation at the Awards? Yes/no | | | |
| Should your application be successful, what project title would you like on the certificate and program? | | | |
| Has this project previously been recognized by RCE Saskatchewan? If so, when?** | | | |
| Summarize your project in 50 words or less (this may be used for promotional purposes): | | | |

**\*\*Previous recipients may receive recognition again provided significant advances have been made with the project. It is imperative that these advances are portrayed with evidence of the gains (i.e. increase in number of visits, media hits, etc.).**

# Section 2: Education for Sustainable Development Project Description

| Describe your project or program: |
| :--- |
| |

| Education can be formal, informal or non-formal (refer to Application Guide for definitions). Help us to understand the educational nature of your project. |
| :--- |
| Please check those descriptions of your educational project that apply:<br><br>Formal education system<br>• School system, including kindergarten to high school<br>• Technical institute<br>• College or university<br>Non-formal education<br>• Education, training or public awareness by a community-based organization<br>• Education, training or public awareness by a business<br>Informal education<br>• Social media<br>• Other media such as radio, television, newspapers and film<br>• Events with an educational element<br>Workshops<br><br>Presentations<br><br>Hands-on learning<br><br>Communications materials (written, audio, visual, etc.)<br><br>The project motivated and/or empowered participants to change their behaviours.<br><br>The project motivated and/or empowered participants to act.<br><br>The project promoted critical thinking about a sustainability topic.<br><br>The project involved collaborative decision making.<br><br>Other: |

| Give us some details about the education for sustainability aspects of your project? |
| :--- |
| |

| Which of the UN's 17 Sustainable Development Goals does the project support? Please refer to the Application Guide. |
| :--- |
| Please check those that apply to your project:<br><br>1. **No Poverty**: end poverty in all its forms everywhere by 2030.<br>2. **Zero Hunger**: end hunger, achieve food security and improved nutrition and promote sustainable agriculture.<br>3. **Good Health and Well-Being**: ensure healthy lives and promote well-being for all at all ages.<br>4. **Quality Education**: ensure inclusive and quality education for all and promote lifelong learning.<br>5. **Gender Equality**: achieve gender equality and empower all women and girls.<br>6. **Clean Water and Sanitation**: ensure access to safe water sources and sanitation for all. |

7. **Affordable and Clean Energy**: ensure access to affordable, reliable, sustainable and modern energy.

8. **Decent Work and Economic Growth**: promote inclusive and sustainable economic growth, employment and decent work for all.

9. **Industry, Innovation and Infrastructure**: build resilient infrastructure, promote sustainable industrialization and foster innovation.

10. **Reduced Inequalities**: reduce inequality within and among countries.

11. **Sustainable Cities and Communities**: make cities inclusive, safe, resilient and sustainable.

12. **Responsible Consumption and Production**: ensure sustainable consumption and production patterns.

13. **Climate Action**: take urgent action to combat climate change and all its impacts.

14. **Life Below Water**: conserve and sustainably use the ocean, seas and marine resources.

15. **Life on Land**: sustainably manage forests, combat desertification, halt and reverse land degradation and halt biodiversity loss.

16. **Peace, Justice and Strong Institutions**: promote just, peaceful and inclusive societies.

17. *Partnerships for the (Sustainable Development) Goals*: revitalize the global partnership for sustainable development.

| **How did your project support the Sustainable Goals that you checked off above?** |
|---|
| |

| **Where and when did it take place?** |
|---|
| |

| **Who is/was the target audience for the project?** |
|---|
| |

| **What has your project accomplished so far?** |
|---|
| |

| **What else do you expect to accomplish?** |
|---|
| |

| **If this project previously received RCE recognition, what has been accomplished since the last award? (i.e. growth statistics)** |
|---|
| |

| **Do you have any additional information that you wish to share regarding your project?** |
|---|
| |

# Section 3:  Building Capacity for Sustainable Development

This section is intended to explain how your project builds capacity for sustainable development. Answer those questions which are relevant to your project.  Note that not all questions may apply; it is acceptable to leave blank spaces.

| |
|---|
| **What community was involved in this project (i.e. youth, low-income, northern, etc.)?  How so?** |
| |
| **Did the project involve people often excluded from decision-making (for example, youth, marginalized communities)?** |
| |
| **How did your project improve the community?  Which groups and individuals in your community will benefit from those improvements?** |
| |
| **How were people encouraged to participate and how was their participation recognized?** |
| |
| **What did you do to make sure the project was well organized and everyone involved was well informed?** |
| |
| **What have you done to ensure that your project has a long-term effect?** |
| |
| **How will your project support sustainability over the long-term?** |
| |
| **What did you learn from your project?** |
| |
| **How did you, or will you, share this new knowledge?** |
| |
| **Did any innovations or related projects grow out of your project? Will these innovations have long-term benefits?** |
| |
| **Do you have additional information to share related to how your project builds capacity for sustainable development?** |
| |
