

A Message from His Honour The Lieutenant Governor of Saskatchewan

It is my sincere pleasure to extend greetings on behalf of Her Majesty Queen Elizabeth II, Queen of Canada, to everyone gathered in Stockholm for the 2018 RCE Saskatchewan Sustainability Awards. I am delighted to serve as Honorary Patron of RCE Saskatchewan and to attend this exciting event.

The diverse recipients and initiatives that will be recognized this year are indicative of the success of RCE and its partners in the province. If we define leadership as the ability to convince others to follow, then RCE has shown strong leadership, indeed. I wish to thank everyone who supports this important work for joining RCE Saskatchewan in their vision to promote sustainability through education. The result of your work will be nothing less than a better world with a brighter future for all.

I congratulate all of the recipients — thank you for your creativity, your collaboration, your innovation, and your vision. Thank you for leading the way.

W. Thomas Molloy
Lieutenant Governor
Province of Saskatchewan
